

Gas Tax Projects Completed by NWT Community Governments

<u>Community</u>	<u>Project Name</u>	<u>Category (Agreement)</u>	<u>Project Type</u>
Aklavik	Calcium Chloride (Material Cost)	Active Transportation (Dust Control)	Sub Category: Dust Suppression
Aklavik	Consultant - Strategic Plan Development	Capacity Building (Knowledge/Integration) - ICSP Development	Capacity Building
Aklavik	Culverts	Wastewater Treatment	Storm Water Management (Construction of Culverts)
Aklavik	Gravel for Berm at Solid Waste Site	Solid Waste	Landfill expansion
Aklavik	Sander for Calcium Spreading	Active Transportation (Dust Control)	Sub Category: Dust Suppression
Aklavik	Training - ICSP Strategic Plan Tool	Capacity Building (Knowledge/Integration) - ICSP Development	Capacity Building
Aklavik	Training - Property Management	Capacity Building (Knowledge/Integration) - ICSP Development	Capacity Building
Colville Lake	Human Resources Plan Implementation Strategy	Capacity Building (Knowledge/Integration) - ICSP Development	Capacity Building
Deline	ICSP Regional Workshop / NWTAC AGM 2008	Capacity Building (Knowledge - Use of New Technology)	Capacity Building
Deline	Small Systems Water Treatment Course	Capacity Building (Knowledge - Use of New Technology)	Capacity Building
Deline	Training - Solid Waste Management	Capacity Building (Knowledge - Use of New Technology)	Capacity Building
Fort Liard	Construction of New Solid Waste Site & Closure of Previous Solid Waste Site	Solid Waste	Landfill creation
Fort Liard	Municipal Service Vehicles	Water/Wastewater (Distribution and Trucked Collection)	Replacement of collection system
Fort Liard	Sewage Lagoon Construction	Wastewater	Construction of treatment system
Fort Liard	Sewage Treatment Facility	Wastewater	Construction of treatment system
Fort Liard	Water Plant Retrofit	Water	Treatment system upgrade
Fort McPherson	Water Intake Upgrade	Water	Treatment system upgrade
Fort Providence	Calcium Chloride (Material Cost)	Active Transportation (Dust Control)	Sub Category: Dust Suppression
Fort Providence	Development of Cells at Landfill	Solidwaste	Landfill expansion
Fort Providence	Development of New Cell at Landfill	Solid Waste	Landfill expansion
Fort Providence	Water and Waste Water Training	Capacity Building (Knowledge - Use of New Technology)	Capacity Building
Fort Providence	Water Truck	Water	Replacement of collection system
Fort Resolution	Energy Upgrade for Arena	Community Energy Systems	Building retrofits
Fort Resolution	Water Truck	Water	Replacement of collection system
Fort Simpson	Chip Sealing for Dust Control	Active Transportation (Dust Control)	Sub Category: Dust Suppression
Fort Smith	Capacity Building - The ability to use GPS software to map infrastructure points	Capacity Building (Knowledge - Use of new Technology)	Capacity Building

Gas Tax Projects Completed by NWT Community Governments

Fort Smith	GIS Equipment and Software	Capacity Building (Knowledge - Use of New Technology)	Capacity Building
Fort Smith	Landfill Site Improvements (Site Upgrades & Groundwater Monitoring System)	Solid Waste	
Gameti	Sewage Lagoon	Wastewater	Construction of treatment system
Gameti	Sewage Truck	Wastewater	Replacement of collection system
Gameti	Solid waste site upgrade	Solid Waste	Landfill expansion
Hay River	Rehabilitation and Sustainability of the Town's Drainage and Underground Water and Sewer Infrastructure (Multi-year)	Water/Wastewater	Replacement of pipes
Hay River	Stewart Drive Drainage and Restoration	Wastewater	Construction or expansion of culverts, ditches, pipes, etc
Inuvik	Recreation Centre Energy Upgrade Project	Community Energy Systems	Building retrofits
Inuvik	Utilidor Energy Upgrades	Wastewater	Building retrofits
Inuvik	Utilidor System Efficiency Upgrade (Multi-Year)	Wastewater	Upgrade of replacement of collection system or wastewater pipes
Kakisa	Sewage Truck	Wastewater	Replacement of collection system
Kasho Got'ine	Chip Sealing	Active Transportation (Dust Control)	Sub Category: Dust Suppression
Kasho Got'ine	Sewage Truck	Wastewater	Replacement of collection system
Kasho Got'ine	Water Conference	Capacity Building (Knowledge - Use of New Technology)	Capacity Building
Lutselk'e	Financial Training	Capacity Building (Knowledge)	\$ Spent
Norman Wells	Landfill Expansion	Solid Waste	Landfill expansion
Norman Wells	Sewage Lift Pump & Electrical Upgrades	Wastewater	Upgrade of treatment system
Norman Wells	Water Treatment Plant Capital Upgrades	Water	Treatment system upgrade
Sachs Harbour	Capital Planning Workshop	Capacity Building (Knowledge/Integration) - ICSP Development	Capacity Building
Tsiigehtchic	Sewage Truck	Wastewater	Replacement of collection system
Tuktoyaktuk	Community Bus	Active Transportation (Public Transit)	New Rolling Stock
Ulukhaktok	Accounting Training	Capacity Building (Knowledge)	\$ Spent
Ulukhaktok	Project Fundamentals Course	Capacity Building (Knowledge)	\$ Spent
Ulukhaktok	Rebuilding of Landfill	Solid Waste	Landfill expansion
Whati	Dust Suppression (End Dust)	Active Transportation	Sub Category: Dust Suppression
Yellowknife	Baling Facility Mechanical Upgrades	Solid Waste	Expansion of recycling, composting, gasification, waste diversion projects.
Yellowknife	Bus Shelters	Active Transportation Infrastructure (Associated Infrastructure)	Sub Category: Capital Assets
Yellowknife	Centralized Composting Pilot Project	Solid Waste	Expansion of recycling, composting, gasification, waste diversion projects.
Yellowknife	Energy Conservation Program	Capacity Building (Knowledge/Integration)	Capacity Building
Yellowknife	Landfill Expansion	Solid Waste	Landfill expansion

Gas Tax Projects Completed by NWT Community Governments

Yellowknife	Landfill Fire Control (Tied to new Solid Waste Site)	Solid Waste	
Yellowknife	Landfill Site Restoration	Solid Waste	Expansion of recycling, composting, gasification, waste diversion projects.
Yellowknife	Monitor and Controls for Pumphouses & Lifstations Upgrade	Water/Wastewater	Pump upgrade / replacement
Yellowknife	New Landfill	Solid Waste	Landfill creation
Yellowknife	Pumphouse #4 New Piping	Water	Pump upgrade / replacement
Yellowknife	Pumphouse Replacement / New Water Treatment Plant	Water	Drinking water treatment system construction
Yellowknife	Remote Pressure & Temperature	Water/Wastewater	Treatment system upgrade
Yellowknife	Three Cell Salvaging System	Solid Waste	Expansion of recycling, composting, gasification, waste diversion projects.
Yellowknife	Trafic Lights Replacement Program	Infrastructure)	Building retrofits
Yellowknife	Transfer Station Bins	Solid Waste	Expansion of recycling, composting, gasification, waste diversion projects.
Yellowknife	Waste Audit & Curbside Recycling (Tied to New Solid Waste Site)	Solid Waste	Expansion of recycling, composting, gasification, waste diversion projects.
Yellowknife	Weigh Scale & Site Work	Solid Waste	Expansion of recycling, composting, gasification, waste diversion projects.
Yellowknife	YK Smart Growth Redevelopment Plan	Capacity Building (Integration)	Capacity Building
