

**The following questions will help MACA to further evaluate the results of the Youth Centres Initiative Program and to better advise communities on future programs/projects. If there is not enough room please use an attachment.**

Did the project meet its objectives? Why or why not?

---

---

---

---

---

---

---

---

Is there anything that you would change about the project?

---

---

---

---

---

---

---

---

Please provide a list for all participants that were involved in your project along with some photos. (Attach a list if necessary)

---

---

---

---

---

---

---

---

What were your results in the project activities? Were they what you expected? Why or why not?

---

---

---

---

---

---

---

---

Do you plan to continue to develop this project in your community? If yes, how so?

---

---

---

---

---

---

---

---

Are you willing to share your project information, concerns or ideas with other communities? If yes, can you provide a contact number?

---

---

---

---

---

---

---

---

Do you have any recommendation for future action or ideas? Please outline below.

---

---

---

---

---

---

---

---

What are your plans if your project is not completed?

---

---

---

---

---

---

---

---

Any additional comments?

---

---

---

---

---

---

---

---

## Appendix A
