

School of Community Government Workshop Summary Report

The Inuvik Regional ICSP Workshop was the second in a series of five workshops hosted by the MACA Regional Offices and delivered in partnership with the NWTAC. Participants were instructed on the components of the new NWT ICSP Tool and how to integrate data from the four required Plans required; Capital, Human Resources, Energy and Strategic Plan.

Topics and Highlights included:

- Overview of Integrated Community Sustainability Plans
 - Overview of Strategic Planning
 - Overview of NWT ICSP Tool
 - Components of the NWT ICSP Tool
 - Hands-on Individual, Group and Community work on ICSP Tool
 - Supports and Resources
- PLUS
- Coffee Breaks with SMC

Workshop Evaluation Comments:

“I can’t wait to input all the information into the ICSP toolkit to see how we can get from the draft to the final copy.”

“The program is user friendly and can be used for all plans.”
