

School of Community Government Workshop Summary Report

The South Slave Regional ICSP Workshop was the first in the series of 5 Workshops hosted by the MACA Regional Offices. Participants were invited to learn about the new NWT ICSP Tool. This Tool provides a template for a reporting mechanism that integrates the 4 Plans required for the Integrated Community Sustainability Plans; Capital, Human Resources,

Topics included overviews and lessons in:

- ICSP's
- Strategic Planning – what is it?
- Visions and Goals
- Strategies, Definitions and Details
- Integration
- Action
- Progress
- Reporting
- Supports and Resources

Guest speakers:

- Jean-Marc Miltenberger – Mayor, Town of Hay River
- Dean Green – Arctic Energy Alliance

SCG Comments:

A big “THANK YOU” to the South Slave Region communities (and Ft. Liard) for piloting this Workshop – most of the bugs have been worked out and we are looking forward to the workshops in Inuvik, Fort Simpson, Norman Wells and Yellowknife.

• • •

Satisfaction levels for this Workshop were very high – 100% of the participants felt that they learned valuable information about strategic planning and ICSP's!
