

BE READY!

Evacuation Preparedness

maca.gov.nt.ca/en/BeReadyNWT

What to expect at an Evacuation Centre

Registration

Provides residents with the ability to pre-register before an evacuation, and to request assistance from their community government during an evacuation

Information Bulletin Board

Provides information for evacuees on the status of their community, next steps and resources available to them

Group Lodging

Temporary sleeping accommodations. Coordinates bedding, sleeping arrangements, and supervision, maintaining a respectful and inclusive environment

Hygiene

Oversees access to washrooms and shower facilities. Ensures cleaning schedules are followed, and hygiene supplies are available

Food & Hydration

Ensures evacuees have access to meals, snacks, and clean drinking water
