

Practice Your Home Fire Escape Drill Two Times a Year

PAGE 1

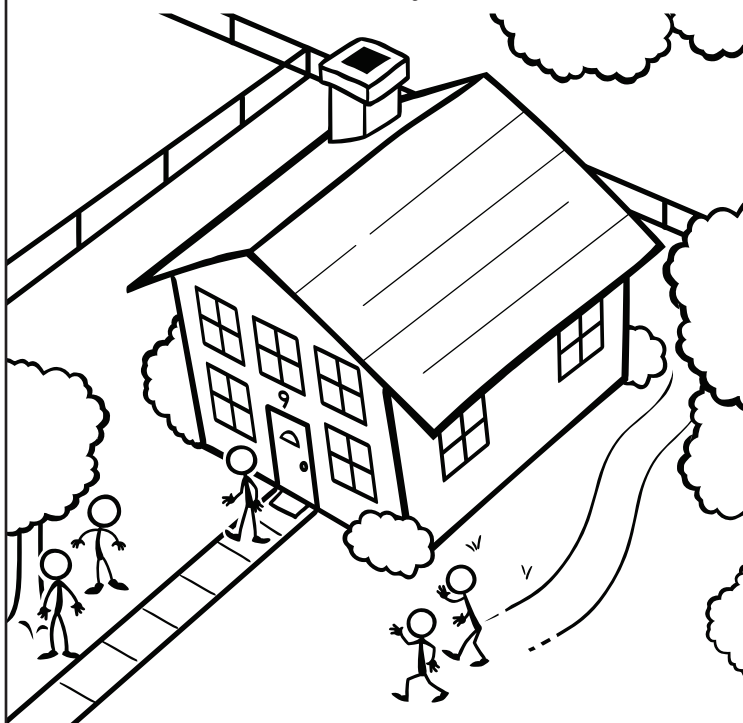

Practice your drill with everyone in your home.

Push the test button to sound the smoke alarm.

The smoke alarm will make a loud noise. You must leave your home.

Close all doors behind you when you leave.

If you must go through smoke to get outside, get low and go under the smoke to your way out.

Get outside fast and stay outside.

Go to your outside meeting place.

Remember, if the smoke alarm sounds, get outside and then call **9-1-1** or your local emergency number.
