### Home Fire Escape Plan

Get help from an adult to do this page.

**Draw a map of your home in the space below.**

**Use the map on the left as a guide.**

**Draw two ways out of every room by using the DOOR when safe or the WINDOW when the door is blocked by smoke or fire.**

- **A final escape plan is needed for each level.**

**There should be a smoke alarm inside every bedroom.**

(For added safety it is good to have a smoke alarm inside bedrooms)

### Get Low and Go

If the smoke alarm sounds, get out and stay out. Never go back inside for people or pets.

If you have to escape through smoke, **GET LOW and GO under the smoke to your way out.**

- A. Smoke alarm sounds
- B. TV
- C. Furniture

Do you know the most common reason for a kitchen fire? **Fat on the stovetop or unattended food.**
