

Emergency Preparedness

1. Know the hazards and risks that pertain to your community

2. Create an emergency plan for you and your family

3. Prepare and Emergency Kit/Grab & Go Bag for you, your family and your pet(s)

4. Check your community website, information board, or social media to find out your community's emergency plan

Prepare Your House

- Fire smart
- Secure fuel tanks
- Know how to turn off fuel
- Water and power
